VICE CHANCELLOR'S MESSAGE

It is a blessing that Rajarata University of Sri Lanka was established in a sacred land where the Buddhist Civilization emerged in the third century B.C. The university has completed twenty-two years of Higher Education Service by the year 2018. Six Faculties namely, Faculty of Social Sciences and Humanities, Faculty of Management Studies, Faculty of Agriculture, Faculty of Applied Sciences, Faculty of Medicine and Allied Sciences, and most recently established Faculty of Technology are contributing to host about 6500 students.

In 2018, the number of students enrolled and graduated was 1403 and 1174 respectively. Post graduate education is also progressing well and for the Master of Business Administration conducted by the Faculty of Management Studies had registered 74 students and number graduated with Master degree was 23 and number passed out with diploma was 13 in 2018. Proposal for postgraduate program in Agriculture was also approved at the UGC within this year. Postgraduate Diploma in Education conducted by the Faculty of Social Sciences and Humanities was offered to 184 graduate teachers and it was a higher number than that of 2017.

The Centre for Distance and Continuing Education was to provide learning opportunities to a wide spectrum of students through external programs. These programs envisaged to produce skilled, knowledgeable and employable Graduates, Diploma holders and Certificate holders in who were not qualified for University Education. In 2018, students of the Bachelor of Business Administration (External) and Bachelor of Science (external) were also graduated in the convocation. Diploma and Certificate course in English, Diploma and Certificate course in Tamil, Diploma and Certificate level course in Information Technology are other popular programs continued to offer during this period. The income generated by these external courses has been gradually increased and it was approximately 30 million for the year. These generated fund has been utilized in improving the infrastructure facilities of the university and for the improvement of the human resources both in the academic categories and nonacademic categories.

There was a considerable improvement in the research and publications of the staff throughout the year 2018. During this year, 510 research papers and abstract were published in various journals and a book was written by a lecturer. Participation to the international conferences and seminars was also found to satisfactory, in particularly using the generated funds of the faculties. Few academics were qualified to receive presidential awards and it was a recognition to the university. The university activities have been helpful to place at the 8th position among the Sri Lankan Universities through the web metric ranking.

Recruitment of academics and filling of cadres of the nonacademic grades were also continued and satisfactory. Moreover, university engaged in the Quality Assurance activities and qualified for several grants for faculty improvements, degree level improvements and for nationally important research in three faculties namely; Fac. Of Agriculture, Fac. Of Management Studies, Faculty of Social Sciences and Humanities. A proposal has been developed to establishment of Faculty of Engineering and submitted to the UGC. A proposal has been forwarded to the Asian Development bank for the improvements in the Technology Faculty and qualified for a grant of Rs. M. 25 USD.

As supportive programs for the students, Career Guidance activities, Sport activities, Industrial trainings and Cultural programs were also facilitated on par with the annual allocations. Many community supportive programs have been launched at all the faculties.

Prof. K.H.R. Wijayawardana

01. Introduction

The Rajarata University of Sri Lanka was established on 7th November 1995 by the Hon. Richard Pathirana, Minister of Education and Higher Education, under the provisions of the Universities Act. No. 16 of 1978 and was ceremonially inaugurated by Her Excellency the President on 31st January 1996. It was established for the purpose of providing, promoting and developing higher education in the fields of Social Sciences and Humanities, Management Studies, Agricultural Sciences and Applied Sciences, later developed for medical education as well.

The University is the successor to the former Affiliated University Colleges at the Central, North-Western and North Central Provinces which were amalgamated to form the Rajarata University on the recommendations made by a committee appointed by the Hon. Minister of Education and Higher Education in 1995.

The University has its main campus located at beautiful surroundings of Mihintale, overlooking the Mihintale rock temple. This site is historically important as the center at which the Buddhist civilization was introduced. It is 10 Km away from the ancient capital of Anuradhapura, the Centre of the world renowned hydraulic civilization. The University has six Faculties of which Faculties of Social Sciences and Humanities, Management Studies, Technology and Applied Sciences are located at Mihintale while other two, Faculty of Agriculture and Faculty of Medicine and Allied Sciences are located in Puliyankulama and Saliyapura respectively.

This University has the strategic advantage of serving the higher educational needs of the entire North Central Province and the country with the resource based available.

Faculty Reports

18. FACULTY OF AGRICULTURE

A. Introduction

Faculty of Agriculture, Rajarata University of Sri Lanka was established in 2001 with 17 students. Faculty offers a special degree programme in Agriculture with the aim of developing sustainable agricultural systems particularly focused on the production environment of the Dry Zone of Sri Lanka. The degree programme comprises eight semesters, during which courses from different agriculture based disciplines are offered. At present, faculty consists of four academic departments, namely Agricultural Engineering and Soil Science, Agricultural Systems, Animal and Food Sciences and Plant Sciences. In addition, faculty has a Computer Unit, English Language Teaching Unit, Faculty Farm and a library. Soil Science, Plant Science and Animal and Food Sciences and GIS laboratories together with Agricultural Engineering workshop provide opportunities for undergraduates to improve their analytical and other skills.

Faculty admits annually 165 students and on-campus residential facilities are provided for all entitled students. The total number of academic and non-academic staff employed in the faculty at present is over 90. The degree program consists of core program and a specialization module. The core program is compulsory for all students and spanning through the first five semesters. During the 6th and 7th semesters, students are allowed to select the specialization module on their preference. At the final semester, students should undertake an independent research project which carries six credits and submit a comprehensive research report based on their project.

B. Achievements

- Cabinet approval was granted for constructing a Laboratory cum lecture halls complex
- 10th Annual Research Symposium was successfully conducted and proceedings were published.
- Conducted a practical programme for 200 A/L students (Bio-systems and Agriculture) in North Central Province
- Faculty was successfully engaged with “*Rajarata Sewaya*” on Knowledge dissemination Programme in Agriculture
- Approval from Quality Assurance Council and Standing Committee of the UGC for the proposed postgraduate degree program has been taken.
- Winning of AHEAD grant (Rs. 120 million) for the Faculty development.
- Collaboration of research project (Rs. 12.63 million) with the Presidential Secretariat and the Ministry of Science, Technology and Research on “A multidisciplinary approach for developing a research platform for sustainable cropping systems in the Dry Zone of Sri Lanka”.
- Collaboration with the Sri Lanka Inventors Commission to initiate an Incubator Centre at Faculty of Agriculture, RUSL.

C. Failure and Justifications

- Implementation of a postgraduate degree program due to pending approval from the UGC commission.
- Improvement of internal road system of the faculty premises was failed due to bankruptcy of the contractor.
- Improvement of farm road system was not started due to lack of funds

D. Future Plans

- Implementation of postgraduate degree programs in Agriculture
- Conducting workshops and training programs for farming community, teachers and A/L students
- Expansion of the livestock unit of the faculty farm
- Initiation of faculty e-journal
- Collaboration of research projects with local and international institutions
- Establishment of a laboratory cum lecture halls complex
- Establishment of the dairy and meat processing units with all necessary facilities
- Organizing of 11th Annual Research Symposium of the faculty
- Improvement of internal road network of the faculty and the farm
- Construction of fences around the faculty farm and new land (Block 3)
- Construction of quarters for academic and non-academic staff members
- Improvement of the aesthetic view of the faculty

19. FACULTY OF APPLIED SCIENCES

A. Introduction

The Rajarata University of Sri Lanka (RUSL) was established in November 1995 by the Gazette Notification No: 896/2 of 7th November 1995 in the Administrative District of Anuradhapura. The Central Province Affiliated University College (CPAUC) in Polgolla, located at a distance of 140 km from the main campus at Mihintale was amalgamated to the RUSL as its Faculty of Applied Sciences (FASc). The immediate task of the FASc at that time was to upgrade all the students of the CPAUC who had successfully completed their Diploma requirements, to the Graduate level. On this task the FASc was inaugurated on 10th January, 1997 to commence the third year Degree Programme with a batch of 102 students, who subsequently graduated in 1998. The first batch of students who were directly sent by the UGC to follow the degree programme was enrolled in November 1997.

After functioning for nearly 10 years at Polgolla, the Faculty was finally established in the premises of the main campus at Mihintale, on 16th January 2006 upon completion of Stage I of the building complex. In 2011 completed Stage II building and Administrative block established in this new building complex. There were two new laboratories namely Tissue Culture and Aquaculture Field Laboratory developed under the grant received from DeyataKilula Project in 2013. A new physics laboratory and lecture halls constructed in 2017. Another new two stories building completed in 2018 to full fill the requirements for the academic staff. In 2018, two new departments namely Department of Health Promotion and Department of Computing established.

B. Achievements

- Awarded presidential awards to Dr. Wijendra Bandara and Prof. Jayantha Ratnasekara for scientific research publication
- Won best presenter award Ms.Deshika Muthuthantrige (undergraduate) from 23rd International Forestry Symposium organized by University of Sri Jayewardenepura in 2018
- Conducted Workshop on Biology for G.C.E. A/L Teachers
- Conducted G.C.E. A/L workshop on Biology, Mathematics, Physics , Chemistry,ICT and Technology
- Applied Sciences Undergraduate Research Sessions (ASURS-2018) was successfully conducted and proceedings were published.
- 4th place of the “LetMeHack” inter university hackathon organized by the Sabaragamuwa University of Sri Lanka.
- Conducted Workshop on Drug prevention (Field work)
- Finalists of the HackaDevhackathon competition organized by UNDP
- Drug prevention stall in "Yowun Pura " exhibition. (5 days)
- Community symposium titled on "Weneswena ape game withthi"
- TV programme on addressing alcohol, tobacco and other drug related harm
- TV programme on child wellbeing and child protection
- 26 training workshops conducted by the Department of Biological Science for the undergraduate students

- 43 Research was conducted by the faculty members. 21 journal article, 4 full papers and 70 abstracts were published in internationally and locally.

C. Failure and Justifications

- Improvement of faculty road was not started due to lack of funds
- Partitioning the ground floor and expansion of 2nd and 3rd floors of staff room building was not started due to financial problem.
- Establishment of Department of Chemical Science was delay due to too much of workload for the existing staff.
- Acquisition of Ayurvedic Research Institute land adjacent to the Faculty was postponed due communication gap
- Since we received high number of students as in university Handbook, we faced a problem of conducting practical sessions and lectures due to lack of spaces. However we covered the required practical sessions with minimum facilities. Time table was dragged 8 am to 7 pm
- Too much of workload for the staff members due to requested cadre was not approved. Therefore could not introduce special degree programs for Physics and Computer Science.

D. Future Plans

Infrastructure Development

- Establishment of Stage III Building
- Chemistry Laboratory facilities to be improved in order to handle higher number of students.
- Acquisition of Ayurvedic Research Institute land adjacent to the Faculty
- Establish museum for Zoology Laboratory to house zoological specimens that will be used in teaching.
- Improve the faculty road and complete the 2nd and 3rd floors of staff room in extension building

Curriculum and Human Resource Development

- Recruitment of Academics: Plan to recruit senior academics (PhD holders) for all the discipline
- Introducing a new discipline: An honors degree programme in the discipline of Data Science to be introduced to cater the demand of the Industrial and government sectors.
- Introduce a four year special degree in computer science and physics.
- Introduce Master Degree Programme in Environment Management and Technology
- Introduce Master Degree Programme in Herbal Technology
- Conduct the curriculum revision in Health Promotion , Information Technology, Mathematics and Physics
- Organize student research symposium collaboration with other universities to improve research and presentation skills of undergraduates.
- Organize training workshops for staff on lesson preparation techniques, website development and research skills.
- Organizing to initiate a student exchange program with international universities

- Industrial visits: Organize industrial visits for the undergraduate students to expose themselves to the Industrial environment and also to provide a first-hand experience in the industrial related activities

National Development

- Conducting workshops for community to transfer knowledge and technology.
- Organize training workshops and opportunities for students in the areas of fisheries and aquaculture, microbiology, botany and zoology to develop knowledge and capacity of students.
- Organizing for teachers and students in the North Central Province to improve the quality of education in the schools.
- Expect to develop the National Strategic Plan for Early Childhood Care and Development (ECCD)
- Plan to strengthen our partnerships with other ministries, especially with Ministry of Education and Ministry of Women and Child Affairs.

20. FACULTY OF MANAGEMENT STUDIES

A. Introduction

With the prime objective of introducing job oriented Degree programmes rather continuing conventional type of academic programmes the Faculty of Management studies was established with three Departments in 1996. These three departments offered three year special degree programs initially and subsequently the duration of the degree programs was extended to four years with introducing one special degree program in 2004. Further, nowadays the faculty offers six undergraduate degree programmes under 05 departments. In addition, the Faculty offers a two year Master of Business Administration Degree with the intention of fulfilling the higher education requirements of prospective persons in public and private sector in Sri Lanka. As well as, a three year external degree programme also introduced by the Faculty in year 2013.

The mission of the Faculty of Management Studies is to provide quality education in Management Studies and leadership with practical skills and to conduct research giving due consideration to the changing environment.

B. Achievement

- Established two new departments in order to offering two new degree programmes from the academic year 2017/2018 onwards as follows.
 - Dept. of Marketing Management - B.Sc. (Marketing Management) Hon0rs Degree
 - Dept. of Human Resource Management - B.Sc. (Human Resource Management) Honors Degree
- Conducted the 2nd National Symposium on Management in the year 2018.
- Issued two volumes of the Faculty journal "Journal of Management Matters" in the year 2018.
- Four senior academics successfully completed their PhD in year 2018
- Degree programs of the faculties were reviewed and earned 'B' Grade.

C. Failure & Justification

- Stage-II building yet to be completed.
- Acquisition of land for Business school yet to be completed.

D. Future Plan

- Faculty of Management Studies is planned to conduct the next curriculum revision in year 2019.
- In addition, the Dept. of Tourism and Hospitality Management has the following future plans.
 - To publish a Department Journal '**Ceylon Journal of Tourism Management**'
 - To expand the model kitchen and the restaurant of the Department.
 - To sign a MoU.
- The Dept. of Business Management also with a plan to sign a MoU with the Faculty of Management Studies, Rajarata University of Sri Lanka and Sampath Bank Plc.

- Initiate stage-II building and acquisition of land for Business school.
- Initiate of new lecture complex for faculty.
- Exploring the possibilities to sign MoUs with foreign universities.
- Increase the duration of in-plant training period.
- Initiate the periodic curriculum Revision.

21. FACULTY OF MEDICINE & ALLIED SCIENCES

A. Introduction

A new medical faculty was established on 08th September 2008 as per the gazette no 1,518/15 dated 09th October 2007. There are 1043 doctors working in Sri Lanka and abroad, who have passed out from Rajarata Medical Faculty. FMAS enrolled 09 foreign students in the Faculty of Medicine & Allied Sciences.

B. Achievements

- Within the year 2018 two Senior Lecturers were recruited.
 - Dr. TKP Kaluarachchi, Senior Lecturer – Gr. I (Temporary Basis), Dept. of Pharmacology.
 - Dr. AMAHMS Senanayake, Senior Lecturer – Gr. II, Dept. of Medicine.
- Dr. KGAD Weerakoon completed PhD degree in 2018. (Senior Lecturer, Dept. of Parasitology)
- Dr. YGSW Jayarathne has been Board certified as a Specialist in Medical Education. (Senior Lecturer, Medical Education Unit)
- Dr. JAAS Jayaweera has been successful completed the MD in Medical Microbiology. (Lecturer, Dept. of Pathology)
- Dr. GHI Darshika has been successful completed the MD in Paediatrics. (Lecturer – Probationary, Dept. of Paediatrics)
- Dr. GGGT Amarakoon has been successful completed the MD in Paediatrics. (Lecturer – Probationary, Dept. of Paediatrics)
- Dr. AB Jayathilake has been successful completed the MD in Surgery. (Lecturer – Probationary, Dept. of Surgery)
- Within the year 2018 the following non - academic staffs were recruited.
 - Ms.A.R.T.K. Nawarathne – Management Assistant
 - Mr. H.C.S. De Silva – Management Assistant (Book Keeper)
 - Mrs. H.M.J.B. Dassanayake – Library Attendant
 - Mr. A.S. Gamage – Works Aid
 - Mr. J.M.C.P. Ranathunga – Works Aid
 - Mr. S. Piyadasa - Labourer
- First Undergraduate Research Symposium of FMAS was held on 10th May 2018.
- Established Department of Family Medicine.
- Completed the curriculum revision.
- Landscaping entire faculty premises.
- Providing RO water for all students in the hostels, Professorial unit and the faculty.
- Completed the boundary wall.
- Computerized the library books.
- Old building has been repaired.
- Tinted the student study area, Wijayabahu hostel, physiology & hematology lab and dept. of paediatrics.

C. Failure & Justification

Advertised to recruit qualified academic staff members within the year to fill the vacancies, but unable to recruit academic staff members due to situated in remote area insufficient facilities.

Unable to commence the construction works of pre-clinical building year 2018.

D. Future Plan

- Rewiring of electrical internal line.
- Implement of green campus concept.
- Repairing of library, administration building and non-academic quarters.
- Install the CCTV camera. (Saliyapura faculty premises & Professorial unit)
- Establish the English Language Teaching Unit (ELTU) at the faculty.
- Monkey safety grill for para-clinical building.
- Air condition to lecture hall and library.
- Vehicle park for the faculty staff.

Inauguration - 2018 (2016/2017 Batch)

22. FACULTY OF SOCIAL SCIENCE AND HUMANITIES

A. Introduction

The Faculty of Social Sciences and Humanities was established with the inception of the university in 1995. At present, the faculty comprises a student population of around 1300. The current intake is 500 students and the faculty wishes to increase its student strength to around 1700. The faculty of Social Sciences & Humanities comprises 6 departments. The faculty offers a BA (general) and BA (special) degree programs.

B. Achievements

- Publication of “පුරාවේද (Volume III)” The Journal of Archeology and Heritage Studies 2018
- Launching of
මධ්‍ය යාන්මය නිමනයේ පුරාවිද්‍යාව
හෙළ හැඳියාවේ බිහිදොර මිහින්තලාව
- Conducting the “Lighting the discovery” - 3rd Research Undergraduate Symposium on Archeology 2018
- Pioneered in organizing the 4th International Research Symposium (ISIBES 2018) under the theme of “Caring Nature- Creating Wealth” this was a partnership action of the University with UNDP. The symposium was accompanied by an interuniversity quiz competition among national universities.
- Introduced Diploma in Environmental Management program and successfully completed its first batch.
- Initiated a waste management program for the university in collaboration with the Central Environmental Authority with the aim of reducing waste and the associated carbon emissions.
- National Research Symposium on Historical Studies (NRSHS) 2018
- Photography exhibition on “Youth for Love and Life” in collaboration with Centre for Peace Building and Reconciliation
- Conducted Research activities of Exploration of Deduru Oya basins, Excavation & Exploration of Mannaram Yoda Wewa basin, Excavation of Andara Wewa, Two weeks exploration program at Ritigala and Two weeks expedition at Kantharodai, Jaffna

C. Failures and justification

- BA (honors) in Environmental Management received a “D” grade from the program evaluation conducted by the QAAC of UGC. It is needed to learn from the program evaluation report in order to improve the status of the degree program.
- Insufficient number of cadre both of academic and non-academic
- Lack of physical and human resource facilities to cater the new intake with additional 250 students.
- The proposed inter faculty English Speech competition and the writing competitions had to be postponed due to non-academic strike and the closure of the university due to scarcity of water.
- Lack of Internet and electricity facilities

D. Future Plan

- Curriculum revision and re-design of the BA General and BA Hons degree to address program review of the faculty.
- Improve the standard of the program review of the faculty.
- Establishment of Research Archaeological Museum.
- Excavation at Kantharodai
- Initiation of faculty building-phase II.
- Introduce postgraduate degrees.
- Introducing new external degree programs.
- Arrangements to hold the faculty speech competition and the writing competition
- Enhance the Corporate Social Responsibilities.
- Purchasing a Generator (for electric Generator)
- Establishing Internet facilities and networking facilities.
- Establishing the Department of Economics.

23. FACULTY OF TECHNOLOGY

A. Introduction

The Faculty of Technology was officially gazetted on the 14th of September 2017 as the 6th Faculty of the Rajarata University of Sri Lanka (RUSL). The initiative to launch the Faculty of Technology came from within the Faculty of Applied Sciences (FAS) of RUSL in January of 2015, with the intention of expanding the overall current academic structure of the institution. Through this initiative, it was hoped that the inadequately elaborated academic structure be improved as compared with other Sri Lankan universities of similar size and scope.

The Faculty of Technology comprises 5 Departments, each leading to their respective degree programmes: 1- Bio Process Technology (BPT), 2- Electrical & Electronic Technology (EET), 3- Food Technology (FT), 4- Information & Communication Technology (ICT), 5- Materials Technology (MT). All degree programmes follow the SLQF 6 format spanning a study period of 4 years. Students who have sat for their G.C.A. A/Ls under the technology stream are selected for these degree programmes and are initially grouped into Bio systems Technology, Engineering Technology and Information & Communication Technology. The Bio systems Technology and Engineering Technology students are then branched out into Bio Process and Food, and Electrical & Electronic and Materials Technology, respectively, during their second year of study, taking into account their preference, academic performance as well as the availability of resources and market demand.

Compared with existing courses in the country, the Technology degree programmes are more vocational, heavily focusing on nurturing hands-on skills. Industry tie-ups and collaborations were incorporated from the very beginning itself into the curricula. This is deemed an important aspect given that students from all degree programmes have to go for an industrial placement and a semester-long research project during their final few semesters of study.

In addition to the funding received from the University Grants Commission (UGC), the Faculty also receives financial support from the Asian Development Bank (ADB) for infrastructure and human resource development. The Faculty has taken in three batches of G.C.E. A/L Technology stream students to date, with the second year students having already completed their second semester. Currently, there are 14 permanent staff members and 20 temporary staff members involved in teaching.

B. Achievements

- Phase - I building has been completed and handed over to the faculty. All the departments have received the spaces for some of their labs (biology, electronics, chemistry and computer) and staff rooms in the newly completed Phase I building.
- Laboratories are being furnished under the supervision of the Faculty of Technology staff and soon be ready to accommodate students for lab classes once finished.
- Bidding and contractor selection has been completed for the construction of the Phase - II building. Site preparation earth works have already been started.
- Project based learning was implemented to the second year students in the Faculty.

- A group of students from ICT Department participated and won the first place in Haxmas 2k18 competition. Following workshops were conducted for ICT students collaborating with the Faculty of Applied Sciences and prominent IT industries of Sri Lanka.
 - Software Quality Assurance workshop
 - On Your Mark 2018
- Testing equipment and materials were received for the labs of the Materials Department.
- A workshop was organized jointly by the Faculty of Technology and the Faculty of Applied Sciences for the A/L students.

C. Failure and Justification

- Several failures occurred during the year due to the lack of enough academic and nonacademic staff members. These include
 - delays in regular duties
 - poor resource management
 - unavailability of consumables in labs for practical on time
 - academic staff members spend majority of their time on administrative and nonacademic duties instead of academic duties
- Being a newly established faculty the present staff is struggling to manage the workload. In addition to the inadequate staff the faculty is also facing severe shortage of space for laboratories and office spaces. It also caused several failures, such as
 - postponement of lab classes to next year due to lack of lab spaces
 - lack of proper work space for lecturers
 - Last minute cancellation of lectures due to lecture hall scheduling clashes with other faculties.
 - Too much workload for the staff members because only two members are there in the department and requested cadre was not approved
 - Since we were using the laboratory facilities from the Faculty of Applied Sciences, we faced a problem of conducting practical sessions in the proper schedule. However we covered the required practical sessions at the end by adopting flexible time schedules and accommodating free hours in laboratories. Lab requirement of Materials Department was temporarily solved with the help of the Faculty of Agriculture
 - Delays in purchasing required equipment- The quoted companies didn't deliver the particular equipment at the stated budget, hence the same equipment had re-sent to purchase in year of 2019

D Future Plan

- Infra-Structure Development
 - Constructing buildings, purchasing equipment, chemicals, consumables are planned to initiate for the labs: Chemistry lab , Microbiology Research lab, Plant tissue culture lab, molecular biology lab and microbiology and biotechnology lab, Immunology lab, proteomics lab, agri-tech lab and plant house, Food Technology lab, Robotics and Automation lab, Power Electric Lab Control Systems with the assistance of the ADB financial support
 - We hope to setup another Electrical Technology lab in the phase I building for teaching and research purposes.

- Biology laboratory in Phase – I building is planned to start functioning once finishing the furnishing and placing equipment which have been already purchased by the department
- Curriculum Development
 - Improving and initiating liaisons with the industry via a liaison cell
 - Launch of business incubators
 - Participation in relevant accreditation schemes
- Human Resource Development
 - Recruitment of Faculty members who have specialized in areas which are relevant to the Technology degree programmes
 - MoUs with Michigan University (USA) and Chungnam University (Korea) for the purpose of staff development as well as student exchange programmes
 - A symposium on smart agriculture: logic and new concepts will be conducted jointly with Asian Development Bank, Michigan state university, USA and Chungnam National University, Korea in early 2019 to give the knowledge and experience of hands on experience to students and staff
 - A workshop on “Job Opportunities in Industry” will be held to improve students credentials when entering the job market
 - Short term training programs will be organized for both academic and non-academic staff members to improve their capabilities and to provide opportunities
 - A stakeholders meeting will be organized to keep the curriculum and the degree program up to date with the latest trends in the field. An industrial consultative committee will be formed with the help of leaders in the industry to fine-tune the requirements of the program.
 - A workshop will be organized on curriculum development and laboratory design focusing on Electrical and Electronic technology with the help of foreign and local consultants.
 - Department plans to conduct a workshop to improve students’ credentials through workshop on “Industrial Nanotechnology for Food and Agriculture sectors” in when entering to job market.

24. LIBRARY SYSTEM

A. Introduction

The library system of Rajarata University was started on 2nd September 1996. The first librarian of Rajarata University Library was Prof. Piyadasa Ranasighe (1996-1998), followed by Mr. Kapila Jayalal Sirisena and Mr. Gamini De Silva (1999-2007). Mrs. Hema Wijethunga (2007-2009) and Mrs. A.S Siriwardana is the present Librarian of the University (from August 2017 on Sabbatical Leave). Since August 2017 Dr. S.K.Illangarathne, Senior Assistant Librarian is covering up the duties of the librarianship.

It consists with Main Library and four faculty libraries in different locations. The Main Library, Faculty of Applied Sciences & Faculty of Technology libraries are placed within the Mihintale premises and serve to the Faculty of Social Sciences & Humanities, Faculty of Management studies, Faculty of Applied Sciences & Faculty of Technology consecutively. The Library sited in Puliyankulama serves to the Faculty of Agriculture and the Library located in Saliyapura serves to the Faculty of Medicine and Allied Sciences. The clinical Library situated in the Teaching Hospital in Anuradhapura.

Materials that can be found in the Main Library consist of textbooks, journals, magazines, newspapers, government documents, special collections, reference materials, past project reports, dissertation, past questions papers and e-resources. All these are materials that have been acquired based on the subject curriculum. The library resources are available in both print and electronic formats. Except their major services the Library provide the facility of online journal databases which can be assess full text journal titles in relevant disciplines through the CONSAL. The book collection comprises of text books in various subjects disciplines which are mainly taught in the all faculties of the Rajarata University.

i. Collection of Printed Materials as at 31-12-2018

iii. Facilities available in the Library

- Automated library facility through KOHA (Integrated Library System) and the library catalogues can be seen through OPAC (Online Public Access Catalogues).
- Available e –Resources and Databases through CONSAL (Consortium of Academic Libraries of Sri Lanka) sponsored by the University Grants Commission, Sri Lanka. (Emerald/Taylor and Francis/Oxford University Press/ HINARI/ARDI/OARE/GOALI/AGORA)
- Online research archive: more than 1900 of abstract and full text of academics in the university functioned with Dspace archival management system.
- Online past question paper service, Audio visual resource center and free WIFI-Zone
- SDI/CAS Service & Research Support Service
- Private photocopy facility and a News clipping Service

B. Achievements

- Six (06) Library Orientation Programs were conducted for students in Faculty of Management Studies, Agriculture, Medicine, Social Sciences and Humanities, Applied Sciences and Technology.
- Two (02) training programs were conducted for public Librarians of North Central Province dated on 26/04/2018 and 30/08/2018.
- Provided the Kotte Period stole to exhibition conducted by the Nochchiyagama Public Library for Literacy Month.
- English Language Speaking Training for Library Information Assistants and Library Attendants were conducted by the library.
- Internship trainings for Library and Information Science graduates.
- Senior Assistant Librarians participated to e-Government, cyber security and Social Media Training program in National Library
- Senior Assistant Librarians participated to Abstract and Article Reviewing workshop and Mirror of 921 Circulars workshop in ULA.
- Library staff members attended to Workshop on Right Attitude for better Performance in ULA.
- The Library conducted URKUND awareness program for All Academics in the University.

C. Failure and Justification

- Lack of space for library users
- Time allocation for library is not sufficient to undergraduates to continue their library activities.

D. Future Plans

- Introduce a distance learning service that will allow users to create, personalize, collect and track instructions and can deliver important scholarly content to the user.
- Plan to mount a digital display panel services for disseminating current content among students including new trends, new arrivals, content and latest updates.
- Proposed to have RFID Technology/CCTV systems that enable a high security system to the collection.
- Increasing the e-resources facilities.
- Planning to convert the content to electronic resources that makes user friendly and most efficient library environment with green concept.
- Increasing the infrastructure facilities.
- Enhance the CSR activities.
- Conducting in-house training program for library staff and others.

25. DEPARTMENT OF PHYSICAL EDUCATION

A. Introduction

The Department of Physical Education provides a wide range of sports and recreational programmes for the weal of student community of the University. The main objective of the Department of Physical Education is to promote and improve the students sporting abilities, provide opportunities to develop individual and team sports and familiarize to healthy active life style of the students of Rajarata University of Sri Lanka.

B. Achievements

To reach the above objectives the Department organized and conducted following activities and programmes in 2018.

The Colours Award Ceremony for the Colour winners of 2016 and 2017 was held in January 2018,

Successfully It was organized successfully separates physical education programs for each faculty's fresh students allocating a specific day and such sessions were designed to give all fresh student some theoretical knowledge about the importance of physical education and sports. Also it organized some outdoor activities which acquired lots of interest from the participants.

Open Championships for Table Tennis, Carom, Badminton and Chess were held in the month of May and June. There were over 200 students participated for championships.

As the major sport event in the University the Inter faculty Sports tournament organized in May and June. First time 6 faculties participated including Faculty of Technology to the tournament. About 1250 students participated to the tournament and we conducted 17 sports discipline and we included the Swimming and Karate to the Tournament in first time

The Inter Faculty Fresher's Sports Tournament was conducted for each faculty's fresh students in the month of December and about 650 first year students participated for the tournament represented all 6 faculties. It included 12 sports disciplines.

Inter University Games were held successfully in several University premises and it is considered as the most important and valuable sport event to the University students. About 550 sports men and women participated for the inter University games representing the Rajarata University .Also the Department of Physical Education of Rajarata University of Sri Lanka successfully organized the Inter University Hockey (Men & Women) and Swimming (Men & Women) Championships at the Rajarata University of Sri Lanka. At the Inter University Tournament 2018 the following teams performed well.

- Hockey Men Team- Champion
- Volleyball Women Team –First Runner up
- Elle Men Team –First Runner up

- Karate Men
- Athletic Men
- Road race

The University teams were participated several friendly and Invitation matches with other University teams and some recognized club teams and our Elle, Hockey, Chess, Karate and Cricket teams performed well at the tournaments. University cricket team has played Anuradhapura District Division iii Cricket Tournament which was organized by Sri Lanka Cricket and our team won championship at the tournament.

In the month of September University Cricket team participated INIFINI International Cricket Tournament in India

World University Beach Volleyball Championship was held on July 2018 at Munich, Germany and one female student of the Rajarata University participated as a member of Sri Lanka Universities Beach Volleyball women team.

C. Failure and Justification

The construction of stage iii of the gymnasium not completed this year. The consultant did not prepare the document in time

The lighting system of indoor gymnasium is not completed satisfactory.

D. Future Plans

In 2019 we hope to include other two sports for our internal tournaments.

University Swimming pool at the Inter University Tournament -2018

26. CAREER GUIDANCE UNIT

A. Introduction

The Career Guidance Unit of the University of Rajarata was established in 2005, through the initiative of the University Grants Commission (UGC), Sri Lanka. The unit functions directly under the Vice Chancellor. It is located on University main premises at Mihinthale as each faculty has the easy access. It is a one-story building with 100 people capacity. The unit is well functioned under the director, career guidance counselors and supported coordinators from each faculty.

B. Achievements

- Career Guidance Unit of Rajarata University of Sri Lanka has organized “Entrepreneurship Grant Awarding Ceremony”
- Successfully conducted a Workshop for Entrepreneurship Skills Development Program
- Conducted a Program on “Entrepreneurship Development - Handy Craft”
- Conducted a Leadership Development Program for the Faculty of Social Sciences

C. Failure and Justification

- Lack of required physical and human resources for proper functioning of the CDCE. CDCE does not have minimum administrative, financial, secretarial and technical staff on the basis of the cadre determined by the UGC Circular 932.
- Barriers to function as a an independent, effective and productive center
- Issues pertaining to outside study centers
- Issues pertaining to effective coordination among the CDCE, BOS and programme coordinators.

D. Future Plans

- Construction of a new building for the CDCE
- Expansion of the CDCE as an fully fledged administrative entity
- To carry out the curriculum revision for BBA program
- Upgrade the facilities in lecture halls and outside study centers
- To carry out Self Evaluation Report (SER) of the study programs.
- To introduce the data base management system and create a separate website for the CDCE
- Formalize the Quality Assurance unit of the CDCE and closely work with the University QA unit to ensure the quality of the Degree Programmes and extension courses manage by the CDCE.
- Strengthening the coordination among CDCE, BoS and Programme coordinators.

28. ACTIVITIES OF STAFF DEVELOPMENT CENTRE

A. Introduction

The Staff Development Centre (SDC) at the Rajarata University of Sri Lanka was established in the year 2015. The vision of the centre is “To be a hub of excellence in professional development”. SDC is in the mission of providing continuous, need based learning and professional development opportunities for all categories of staff within RUSL. SDC, RUSL is managed by a university appointed management committee, including senior academics representing all faculties and chaired by the Vice Chancellor.

In the year 2018, the Certificate in Teaching in Higher Education (CTHE) was successfully completed with 24 participants. New recruits from all faculties; namely Medical and Allied Health Sciences, Applied Sciences, Social Sciences and Humanities Agriculture, Management Studies. Also, several other workshops also successfully completed for both academics and non-academics (See the table below) .

The biggest constraint for the smooth operation of SDC was the inadequacy of permanent supportive staff as it is operating with a single semi-skilled hired labourer. The problem is still prevailing as the allocated carder positions are not filled yet. Further, SDC concentrated in completing Certificate in Teaching in Higher Education programme for academic staff, who were waiting for years to complete. With that emphasis, the programme was accelerated with all available schedules, despite showing interest on other programmes.

The SDC, RUSL has also proposed organize several workshops for academics and non-academics in the year 2019. One groups of CTHE has also planned to start and complete within the year 2019, in addition with some other requested workshops for non-academic as well. The action plan of SDC has approved by the by the university administration for year 2019, and SDC is targeting at least a 80% success.

29. COMPUTER CENTER

A. Introduction

The Computer Centre of Rajarata University of Sri Lanka was established along with the establishing of the university in 1996, in the view of enhancing the ICT skills of undergraduates of the university. The center was administered directly by the vice chancellor and its functions were supervised by the head of the center appointed by the vice chancellor. The computer center initially focused on conducting basic computer awareness programs for undergraduates of faculty of management studies and faculty of social sciences & humanities. As the university expanded, the computer center became the prime ICT service provider for the university. Since the initial scope of the center had been expanded, and to reduce the administrative burden, starting from 2011, the council of the university appointed a director to look after academic and administrative matters. The director is a one of academic members with sound knowledge in ICT. The term of the director is three years.

The Center opens from 8.00 a.m. to 6.00 p.m. during week days and from 8.00 a.m. to 4.00 p.m. on Saturdays. Apart from the normal opening hours, on special requests, with the approval of the vice chancellor, center opens till 8.00 p.m. during study leave and examination periods.

The Computer Centre is headed by the director under the supervision of the Vice Chancellor. The staff of the CC consists of an instructor in computer technology, a programmer cum system analyst, an assistant network manager, a technical officer, a lab attendant and a laborer.

Resources and Services

Computer Laboratories

The CC maintains an always updated set of physical resources. There two main computer laboratories each quipped 100 modern personnel computers. One of the laboratories is reserved for conducting lectures and demonstration sessions related to ICT subjects. One laboratory is available for students to access at any time especially for internet accessing and free practicing.

Video Conference Unit

A **Dedicated Video Conference system** that have all required components packaged into a single set of equipment is installed at the Computer center so that any academic or administrative officer can make use of it to remotely participate in official events provided that the other party provides facilities to connect remotely.

Computer Maintenance, Assembling, and Repairing Unit (CMAU)

The CMAU of the University runs under the supervision of the Director/Computer Centre. Repairs of IT equipment such as PCs, UPSs, printers, etc., are undertaken by the CMAU. Software installation and troubleshooting services are also provided by the unit. Two technical officers have been assigned on temporary basis to carry out duties of the CMAU and they are working after normal duty hours, holidays and weekends.

Internet and Intranet Services

LEARN is the main ISP of the University and the subscribed internet bandwidth of the university (at the Mihintale premises) is 150Mbps and Local Link bandwidth is 200Mbps. A high speed fiber optics

backbone has been laid to cover the most of buildings at Mihintale premises. Inside the buildings, UTP cables have been laid and connected them to the main backbone via LANs. Except to newly constructed buildings and to few lecture halls, the CC has provide internet and intranet connectivity all academics and administrative offices.

B. Achievements in the year 2018

- Computer center was able to facilitate to all the related academic works of the faculties situated Mihintale premises in the year. Apart from the providing infrastructure facilities, the exiting computer laboratories were upgraded by replacing existing 50 computers with new machines in order to provide an efficient service. Further two new multimedia projectors were installed in the centre.
- Computer center successfully conducted two programs of Certificate in ICT and one program of Diploma in ICT.
- Local area networks installed in ICT laboratory in Faculty of Applied Sciences.
- Wi-Fi facilities were extended to cover students' canteen area.
- CMAU unit performed its duties regularly
- Wi-Fi Facility for New Department Building – Faculty of Agriculture
- Wi-Fi connectivity through University network for new faculty building – Faculty of Management Studies
- Wi-Fi connectivity through University network for new faculty building – Faculty of Social Sciences
- Internet facility for the resource center of department of Tourism and Hospitality Management – Faculty of Management Studies
- Internet facility to computer laboratory of English Language Teaching Department – Faculty of Social Science and Humanities
- Provide Internet facility to Carrier Guidance Unit through university network

C. Future Plans

- Extend Wi-Fi facilities to cover the students' hostel area.
- Installing LAN's to cover the new buildings of Faculty of Agriculture, Faculty of Management, Faculty of Social Sciences and Humanities, Faculty of Technology.
- Expand the Wi-Fi coverage in students' hostels, Faculty of Agriculture, Faculty of Applied Sciences, Faculty of Management, Faculty of Social Sciences and Humanities, and Faculty of Technology.
- Upgrading university servers.
- Upgrading existing two laboratories by replacing selected outdated computers with new computers.
- Preparing a proposal and getting approval for a new IT building

**Report of the Auditor General on the
Accounts of the Rajarata University of Sri
Lanka for the year ended 31st December
2018 in Terms of Section 108(2) of the
University Act no. 16 of 1978**

Vice Chancellor

Rajarata University of Sri Lanka

Report of the Auditor General on the Financial Statement of the Rajarata University of Sri Lanka for the year ended 31st December 2018 and other legal and regulations required for that in terms of Section 12 of the audit Act, No 19 of 2018.

1. FINANCIAL STATEMENT

1.1. QUALIFIED OPINION

The audit of financial statements of the Rajarata University of Sri Lanka for the year ended 31st December 2018, comprising the statement of financial performance, statement of the change in equity, cash flow statement for the year ended, summary of the significant accounting policies and other explanatory information, was carried out under my directions in pursuance of provisions in article 154 (1) of the Constitution of the Democratic Socialist Republic of Sri Lanka read in conjunction with No 19 of 2018 National Audit Act and No 38 of Financial Act in accordance with the 154 (6) of the Constitution, my report would be tabled at the Parliament in due Course. The financial statement of Rajarata University as at 31st December 2018 and the statement of financial performance and the cash flow statement for the year ended have indicated the true and fair state in accordance with the Sri Lanka Public Accounting Standards is the my opinion except the matters affected explained in the basis for qualified Opinion in my report.

1.2. BASIS FOR QUALIFIED OPINION

(a) DEVIATIONS FROM ACCOUNTING STANDARDS

In accordance with the 42 section of No 07 of Sri Lanka Accounting Standards, the cost of the properties, Plant and equipment was Rs.421, 066,408 of 09 assets subjects even though they have already been completely depreciated according to the 31st December of previous year, still utilizing and the necessary adjustments have not been taken to include into the accounts after revaluation.

(b) ACCOUNTING DEFICIENCIES

- (i) The reviewing year financial statement indicated the accrued expenses as Rs.50, 481,478. (except accrued expenses of faculties) when calculating it was found as Rs.67,489,879, thus the reviewing year accrued expenses and the year deficiency has shown as Rs.16,875,401 less.
- (ii) The medical faculty and the agriculture faculty have charged of Rs.123, 248 as payee tax from the officers of the previous year and same has not been paid to the Commissioner General, Inland Revenue and credited to miscellaneous account of the University.

- (iii) Even though the Rs.586,600 worth of Information technology equipment purchased during the previous year, the retention money of Rs.58, 600 has not been capitalized and only the net amount of Rs.527,940 has been capitalized.
 - (iv) Even though the purchase value of property, plant and equipment of Rs.190,207,555 has shown as the investment activities in the cash flow statement, in that, it has shown the non-cash flow of Rs.31,680,755 of credit purchase and the adjustments to the accounts. Therefore, the net cash flow of investment activities has increased by that amount.
 - (v) The expenditure for working in progress shown as Rs.305,070,708 as the investment activities in the cash flow, It has included the payable balance as of Rs.25,230,620 which is not a cash flow, thus reducing the net cash flow by the same amount in the investment activities.
 - (vi) The depreciation of 16 ledger accounts of building and infrastructure facilities has been calculated and accounted by reducing of Rs.2, 254,486.
 - (vii) The balance in the NRFC Account of the Bank of Ceylon as at 31st December 2018 was 119,737 and when this amount converted into the Rupees they have converted by the selling price instead of purchasing price. There by the balance of Rs.475,357 in the Bank account of the previous year has shown increasingly.
 - (viii) The selling amount of Rs.542,598 has been included as selling of fixed assets as scrap assets in the income of selling old stocks in the reviewing year. The real cost and the accumulated depreciation have not been adjusted in the accounts.
- (c) **LACK OF EVIDENCE FOR AUDIT**
The detail schedules for rental house retention deposit of Rs.832,936 in the creditors and supplies retention deposits of Rs.14,480,878 in the financial statements have not been submitted for Auditing.
- (d) **DIFFERENCES**
- (i) It has been observed that there was a difference of Rs.5, 833,217 of the balance according to the stock verification report and the amount included in the financial statement as at 31st December 2018.

- (ii) The balance in sub schedule of the non-current assets of property, plant and equipment indicated as Rs.6,097,755,804 where as it indicates in the financial statement as Rs.6,098,003,433. Therefore, the difference of Rs.247, 629 has been observed.
- (iii) The financial statement of the reviewing year indicated the accrued expenses (except the expenses of faculties) as Rs.69, 531,077 whereas the sub schedule submitted with the financial statement indicated that as Rs.66, 192,277. Therefore, the difference of Rs.3, 338,800 in the occurred expenses account observed.
- (iv) An unidentified difference of Rs.318, 970 has been observed between the sub schedule of financial statement which was forwarded indicated that the value of various deposits as Rs.2, 992,784 whereas the ledger account indicates as Rs.2.673,814.
- (v) The difference of Rs.465, 000 observed in between the three expenditure subjects in the No 28 sub schedule forwarded for total expenditure of the financial statement and the expenditure program statement.
- (vi) It has been observed that the difference of Rs.137,450 of the balance of three income accounts forwarded in the financial performance statement when comparing with the ledger balances.

The Audit has been carried out in accordance with the Sri Lanka Auditing Standards. The responsibility under this auditing standard, further same has been explained in the responsibility of an auditor in relation to the auditing of the financial statements. It is in the opinion that the auditing evidences obtained were sufficient and appropriate for the basis of making my qualified opinion.

1.3. MANAGEMENT'S RESPONSIBILITY FOR THE FINANCIAL STATEMENTS

The management is responsible for the preparation and fair presentation of these financial statements in accordance with the Sri Lanka Public Sector Accounting Standards and for such internal control as the management determines is necessary to enable the preparation of financial statements that are free from material misstatements whether due to fraud or error.

It is the responsibility of the management to decide whether to continue of maintaining the University when preparing the financial statements. If the management is in opinion that the University of Rajarata to be handed over to the government or cease the operation

when there is no alternative for that, except that, the accounts should be maintained on the basis of continuance and the disclosure of the matter whether to maintain the University continuously is also the responsibility of the management.

The responsibility of the reporting process of University finance should be taken by the Governing authority of the University.

In accordance with the sub section 16 (I) of No 19 of 2018 national Audit Act, the university should maintain the books and record of all income, expenditure, Assets and liabilities in order to enable the preparation of annual and periodically financial statement of the University.

1.4. AUDITOR'S RESPONSIBILITY FOR AUDITING THE FINANCIAL STATEMENTS

As a whole, an Audit involves performing procedures to obtain audit evidence about the amounts and disclosure in the financial statements. It is intended to give reasonable opinion as the financial statements do not reflect true and fair picture due to fraud and errors. When carrying out auditing according to the Sri Lanka Auditing Standards, it always does not mean that qualitative disclosure about the financial statements could confirm. Further, the economic decision taken by following this report definitely could affect their decision.

I have been carried out auditing with the professional judgment and suspicion according to Sri Lanka Auditing standards. Furthermore,

- Whether, due to fraud or error in making those risk assessments, including the assessment of the risk of material misstatements of financial statements. This could be stopped up by adopting or obtaining sufficient and appropriate suitable audit evidences. It is understood that the damage caused due to the fraud is higher than the damage caused by declaration of false statements.
- In order to plan the suitable periodically auditing system, study carried out about the internal control of the University but no idea to give an opinion about the effectiveness of the internal control.
- It has been appreciated that adopting of reasonable accounting policies and estimates and the relative disclosures by the management.
- In order to consider the continuance of the university activities due to the incidents and reasons through the audit evidence obtained, it is decided to adopt the basis of continuance process for accounting. If there is a reasonable doubt about the continuance in operation, it should be disclosed in the financial statement and if those disclosures are not enough the auditor's opinions should be highlighted. However, continuance in operation would be closed due to the future incidents and situations.

- The presentation of financial statement with disclosures structure and content were appreciated. The transactions and the incidents for those affected have been included in the financial statements.

I identified the important audit observations, main mistakes in internal control and other weaknesses informed to those who control the activities.

2. REPORT ON OTHER LEGAL AND REGULATIONS REQUIREMENTS

The special provisions have been included for the following requirement in the No 19 of 2018 National Audit Act.

As per the requirement of section (a) 12 of No 19 of 2018 National Audit Act, except the details affect that I have mentioned in the basis part for my report opinion, all other details and information obtained for auditing and it is my opinion that the University is maintaining proper financial report.

The Auditor General's report dated 09th July 2019 was received by the University on 25th July 2019 for which clarifications and action taken already for the observations made in the report are listed below as per the sequences in the audit report.

1. **FINANCIAL STATEMENTS**

1.2. **THE BASIS FOR OPINION**

(a) **DEVIATIONS FROM ACCOUNTING STANDARDS**

The revaluation of the fixed assets is being progress at present and after the verification process, the action will be taken to make necessary adjustments to take value into the accounts of which have been completed the depreciation for the year 2019.

(b) **ACCOUNTING DEFICIENCIES**

- i) There has been an accounting error as number of payment vouchers applicable to the year 2018 have been missed out to accrue to the expenses accounts. However, action has been taken to accounting same as previous year adjustment in the year 2019.
- ii) This amount was not a payee tax and this was a royalty deducted from the payments given to university external resource contributors. There is no requirement of sending this to money to the commissioner, Inland Revenue. This money has been reserved to be sent to the respective institutions those who employed in and action has already been taken to pay this amount to the respective institutions.
- iii) The payment value of the year 2018 has only been taken to the assets accounts. This mount of Rs.58,600.00 has already been added to the assets by paying the amount already to the supplier concerned.
- iv) When preparing the cash flow, the total value of the assets acquired during the year mentioned as cash flow in the assets statement of the balance sheet. In that, the assets received on credit basis have also included and the credit value of that assets indicate by the earning from the operational activities in the cash flow. However, the difference adjusted cash flow statement could be forwarded accordingly.

- v) When preparing the cash flow, the total value of the assets acquired during the year mentioned as cash flow in the assets statement of the balance sheet. In that, the assets received on credit basis have also included and the credit value of that assets indicate by the earning from the operational activities in the cash flow. However, the difference adjusted cash flow statement could be forwarded accordingly.
- vi) The building ledger Nos, of 210120,210137,210140,210157,210112,210142,210167 and 210183 have been handed over to the University for construction before the year 2018. Therefore, the depreciation has to be calculated for the whole year 2018. The calculation of depreciation for the whole year 2018 for the payment made in this year for the works completed before the year 2018 is more prudential. The depreciation has been calculated for the building ledger Nos, of 210103 and 210192 projects from the month of the projects handed over to the University in the year 2018. The balance for the building No 210406 project reserved in the accounts for the year 2018 was not Rs.696,575.00 and is Rs.3,669,776.63. The depreciation has been calculated for these projects from the month of final payments made.

| Ledger No, | Depreciation (Rs) | Depreciation Accounted (Rs.) | Difference (Rs) |
|------------|-------------------|------------------------------|-----------------|
| 210176 | 1,023,446 | 582,184 | 441,262 |
| 210182 | 42,378 | 21,189 | 21,189 |
| 210189 | 53,818 | - | 53,818 |
| 210199 | 177,528 | 29,588 | 147,940 |
| | | | <u>664,209</u> |

The action will be taken to include the above under depreciation value of Rs.664, 209 as previous adjustment in the accounts of 2019.

- vii) Action has been taken to correct the amount of Rs. 475,357.00 shown increasingly in the financial statement in the current year when converting dollar balance in the NRFC account No bearing 75704737 at the bank of Ceylon as at 31st December 2018 in to the rupee value due to the calculating by using the selling price instead of purchasing price. The financial activities in the current year and other end of the year balances in the accounts will not be affected, except raising the balances in the faculties' development funds due to the error conversion. Action will be taken to adjust in to the accounts accordingly in the year 2019.
- viii) The depreciation and cost of the fixed assets sold as scraps have not been removed from the accounts due to the fact that difficulty to identify the cost of the assets removed physically and individual basis. Action will be taken to maintain proper accounts after completion of the process of verification and revaluation of the fixed assets and computerizing the fixed assets register.

(c) LACK OF EVIDENCE FOR AUDIT

Action will be taken to submit the sub schedule for these balances with the accounts of 2019.

(d) DIFFERENCES

- i) The value of Rs.2,193,326 purchasing capital assets has been included in the physical stock verification value of the central stores Rs.11,056,214. Accordingly, the stock difference in the stores was not Rs.2,664,323 and is Rs.470,906. Therefore, the difference in all stores between the stock verification value and the book value was not Rs.5,833,217 and is Rs.3,639,891. Action will be taken to compare this difference and correct when preparing the financial statement accordingly in the year 2019.
- ii) The amount of Rs.6,098,003,433 mentioned in the statement of financial position was correct and when preparing sub – schedule for that amount of Rs.249,709 under ledger No 210188 for the payment of bill amount to be added to the total column value of the building. The amount of Rs.2,082 under the provision of depreciation in the same amount for the year 2018 also to be added to the sub – schedule and correct accordingly. However, due to this, the state of the assets in the financial statement will not be affected and the corrected sub – schedule could be forwarded.
- iii) The difference between these two amounts of Rs.3,338,800 was the amount reserved for Auditor General department for auditing and same has not been mentioned in the sub – schedule. However, this will not affect the state of the liabilities in the financial statement and this sub – schedule could be re-forwarded.
- iv) When comparing the amount of Rs.367,210.00 mentioned in the note No 07 as receivable money orders in the statement of the financial position and the amount of Rs. 318,970.00 included in that debit balance has been credited into the same account and debited to the miscellaneous deposit account adjusting the ledger accounts accordingly. The difference between the value of financial statement and the ledger account shown due to not including this adjustment in the forwarded financial statement. This will be adjusted accordingly under the previous year statement when forwarding the financial statement for the year 2019.
- v) This was an error occurred when expenditure noted down in the expenditure programme statement and the value of sub schedule No 28 forwarded for total expenditure in the financial statement was correct. However, there was no difference in the total value of the two documents due to this and adjusted accounts could be forwarded accordingly.

- vi) This matter is combined with the above matter (iv) and when reconciliation the value of Rs.367,210 mentioned in the note No 07 in the statement of financial position,

| | |
|---|--------------|
| To registration of suppliers income account | Rs.92,750.00 |
| To registration of students account | Rs.41,550.00 |
| To students' hostel fees account | Rs.3,150.00 |

the value as of Rs.137,450 entered in the accounts. There was a difference in the balances of 03 income ledger accounts and the balance in the financial performance statement due to the same value not taking into the financial performance statement. This difference will be adjusted as previous year adjustment when preparing the accounts for the year 2019.

2. **REPORT ON OTHER LEGAL AND REGULATIONS REQUIREMENT**

Action will be taken to disclose these matters in the financial statements in due course.

- 2.2. In accordance with the requirement of 12 (f) of No 19 of 2018 National Audit Act except the following observations, non-compliance of relevant rules, regulations and University Council's decisions.
